

## **Welcome to Lathe Magic!**

If you have not already done so, unzip the lathe magic zip file to your computer. For proper operation of the program, do not move or delete any of the included files or folders.

Download the user manual from [www.lathemagic.com/lm/downloads.htm](http://www.lathemagic.com/lm/downloads.htm)

Be sure to read the End User License that is included in the zip file. By downloading and installing Lathe Magic, you agree to the terms of the license. If you do not agree to the terms, simply delete the Lathe Magic and all its files from your device.

Tutorials, examples, designs and patterns can be found at [www.lathemagic.com/lm](http://www.lathemagic.com/lm)

If more specific help is needed or to report bugs or request features, go to [www.lathemagic.wordpress.com](http://www.lathemagic.wordpress.com)
